PROFILE

Hey there! I'm **Paolo Steven B. Santos**, your friendly neighborhood Software Engineer! I'm currently brewing up tech magic at **Samsung Research Institute Philippines**. I'm all about **Web Development**, wrangling with TypeScript, JavaScript, and NodeJS like a pro, but I can easily dance with just about any programming language out there!

SKILLS

- TypeScript
- JavaScript
- Node JS
- ReactJS
- VueJS
- Java
- Kotlin
- C++
